This is with regard to the letter No. E. No. NCTE-GA026/2/2023-CA SRC through e-mail on dated June 06, 2023. Swami Vivekanand College of Education organized a poster making Competition for B.Ed. students on 7 June 2023. The event place from 2:00 pm to 3:00 pm in the college multipurpose hall and attended by 50 students on the theme of the competition of Poster making competition on FLN which aligns with the vision "To shape and strengthen the Global architecture and governance on all major international economic issues." The Competition aim to encourage students to think critically about the role of G-20 collaboration in Promoting educational development in India and how they can contribute to this important issue. SVN college of education to success of the G-20 Janbhagidari activities by fostering creativity and critical thinking among language Hindi, Science and Mathematics comprising content of different subject up to grade 03. The event was coordinated by Mrs. Amita Rani (Assistant Professor) in SVN College of Education Tarkwari, who was pleased with level of engagement and participation from the student. she was impressed by the variety and creativity of poster submitted by the student at the end of the competition The college Principal Dr. Kuldeep Singh thanked and appreciated the students and staff for their participation in this event with full enthusiasm and zeal. The winning poster were chosen based on their creativity and aesthetic merit and ability to convey the theme. Over all, the competition was a success and provided a valuable opportunity for students to express their creativity and explore them.

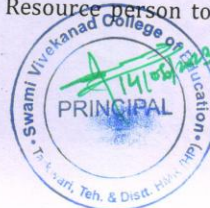

In continuation to the programme schedule given by NCTE a Presentation on the main theme major recommendations of NEP 2020” was organized on **June 8,2023**. In this Programme Dr. Kuldeep Singh Chandel (Principal of SVN College) was the Resource Person. He reflected on the topic “National Education Policy-2020 School Education, Foundational Literacy and Numeracy” During his speech he explained, and highlighted the vision and framework for school Education in our country. He emphasized several key aspects such as early childhood care and education, foundational literacy, numeracy and a holistic approach to learning. He revealed that Aim of policy is to promote critical thinking, creativity and problem solving skill among students. Further, He Placed significant emphasis on the 5+3+3+4 pattern in school Education which signifies the reorganization of the school Education into four stages:

01. Foundational stage(ages 3-8)
02. Preparatory stage (ages 8-11)
03. Middle stage (ages 11-14)
04. Secondary stage (ages 14-18)

After this Resource Person explored the foundational stage and highlighted the key points of rest of three stages. About the foundational stage, Resource Person remarked that child (age 3-8 Year should focused on Early childhood care and education (ECCE), and need to be recognized the crucial role of early years in a child’s development. It aims to provide a play-based, activity based and discovery –based Learning environment.

Further, Resource Person indicated about preparatory stage (3 years), this stage aims to build on the foundational stage and facilitate the development of Numeracy, Literacy, and social and emotional skill. About the middle stage (3 Years), Resource person told that

main emphasizes on critical thinking, and a multi disciplinary approach to education. Further resource person reflected about secondary stage (4 Year) that it provided a flexible Curriculum with wide range of subject choices. It emphasized holistic development, vocational skill and integration of technology in education. On this occasion trainee teachers and staff of SVN College were present and there and participated in programme actively.

Keeping in view the programme schedule of NCTE from June 02, 2023 to June 06, 2023, Quiz Competition on Cyber Security was organized at Swami Vivekanand College of Education, Tarkwari on dated 9<sup>th</sup> June, 2023. The event aimed to test participant's knowledge and understanding of various aspects of cyber security while promoting awareness and best practices. Participants enthusiastically participated in the quiz which consisted of multiple-choice questions covering topics such as data encryption, Network security, malware detection and incident response. The competition fostered a spirit of healthy competition and encouraged participants to enhance their knowledge in the field of cyber security.

In this competition there were three team from B.Ed. Programme. There were two participant in each team. There were three round and in each round nine (9) questions were asked from each team by Mrs. Sonia Sharma (Lect. In Edu.). There was a score board on which points were displayed by Shalini Trainee teacher. In this competition Team A (Deeksha & Vandana ) got first position, Team B(Ankita Sharma & Shivani) got second position, Team C (Shivali & Vanisha ) stood third.

At last Principal of the college Dr. Kuldeep Chandel Congratulated winning team & all the participants and address the students on cyber security. Sir, emphasized the need for continuous learning and collaboration to address the ever-evolving challenges of the digital world.

vote of thanks to the chief guest and also thanked the students and staff participated in the event with full enthusiasm and zeal.

The winning Rangoli's were chosen based on the creativity and artistic merit and ability to convey the theme. Overall, the competition was a success and provided a valuable opportunity for the students to express their creativity and explore them.
