National Education Day is an annual observance in India to commemorate the birth anniversary of Maulana Abul Kalam Azad, the first education minister of independent India, who served from 15 August 1947 until 2 February 1958. National Education Day of India is celebrated on 11 November every year. The Ministry of Human Resource Development announced on 11th September 2008, "The Ministry has decided to commemorate the birthday of this great son of India by recalling his contribution to the cause of education in India.

Objective----

1. The objective of celebrating National Education Day is described as strengthening India's educational institutions
2. To raise the quality of education. It is also seen as an occasion to remember Maul Ana Azad's contribution in laying the foundations of the education system in an independent India.
3. To evaluate the country's current performance in the field. It is also seen as an opportunity to improve the current situation of education in India.
