

# A REPORT ON EARTH DAY CELEBRATION 2025

**"The Earth does not belong to us: we belong to the Earth." – Marlee Matlin**

Venue: College Campus & Multipurpose Hall

Co-ordinator: Mrs Amita Rani, NSS Programme Officer

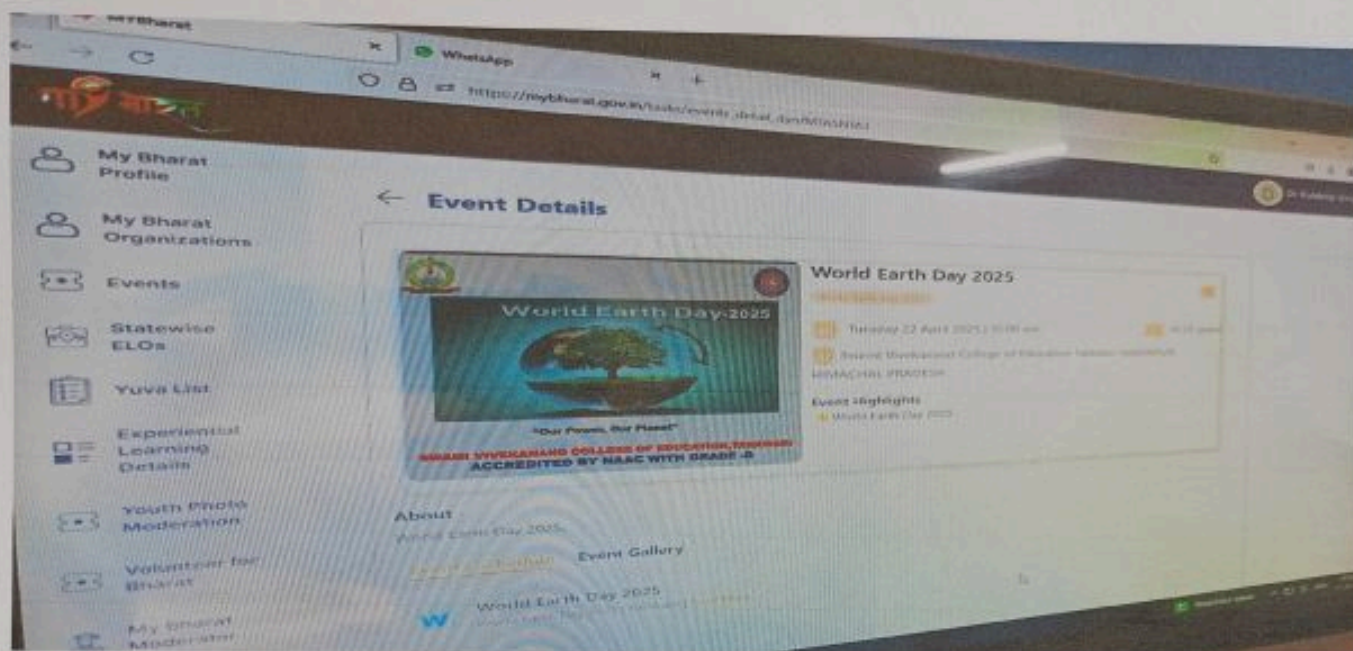

No of students: 174 volunteers

The World Earth Day is an annual global event dedicated to advocating environmental conservation and to raising awareness about the importance of protecting our planet. EARTH DAY is celebrated around the world with a beautiful message - "Our continuing efforts in our everyday lives will make this beautiful planet thrive." Earth Day is a proof that even one person can make a global impact in a positive way. Echoing the same, NSS Unit Tarkwari "The Earth Day" through a series of activities on 22nd April. The whole unit, whether it was the students, support staff, teachers, guards, admin staff or helpers took part in this "Go-Green initiative". The students were reminded of simple doable actions towards safe Mother Earth. On this day, we try to plant a sapling or a plant which helps us from avoiding global warming. On this day, speech competition & campus cleanliness was organized in the college. All NSS volunteers participated with full enthusiasm. The main aim is to raise awareness about the growing concerns of overpopulation, loss of biodiversity, and depleting quality of the environment. It is not the work of single person but altogether team we need to act. Together we can make a difference. It's time to take the benefit of a green economy by adopting it. All governments need to encourage society, institutions, and businesses to build a framework for supporting a stable future.

The stamp is circular with a blue border. Inside the border, the text "Vidyalaya College of Education" is written at the top and "Tarkwari" at the bottom. In the center, the word "PRINCIPAL" is printed. A green ink signature is written across the center, and the date "24/4/25" is written in green ink to the right of the signature.
